## Metorex Analyst Site Visit

---

Shareholders are advised that Metorex will host a number of key institutional investors and analysts at their Ruashi and Kinsenda mines in the Democratic Republic of Congo. The site visit commences on Wednesday afternoon 26 May 2010 and includes a tour of the Ruashi open pit operations and processing plant, as well as the underground assets at Kinsenda in the Katanga Province. The site visit concludes on Thursday 27 May 2010 with the visitors returning on the morning of 28 May 2010. No new material information will be presented in respect of current trading or future financial performance of the company.

Competent Persons Reports on the company's assets are available on the company website, [www.metorexgroup.com](http://www.metorexgroup.com). In addition, the presentations made during the analyst visit to the Democratic Republic of Congo will also be made available on the company website on Friday 28 May 2010.
